## CONTRIBUTORS TO VOLUME VI.

- ABBOT, S. L., M.D., Boston.  
ADAMS, B. F. D., M.D., Waltham.  
ALDEN, EBENEZER, M.D., Randolph.  
ANTHONY, WALTER E., M.D., Providence, R. I.  
ATHERTON, A. B., M.D., Frederickton, N. B.  
BELT, HANDY and BOLLES, Drs., House Surgeons  
City Hospital, Boston.  
BLAKE, CLARENCE J., M.D., Boston.  
BOWEN, W. S., M.D., U. S. N.  
BROWN, FRANCIS H., M.D., Boston.  
BROWN, H. W., M.D., Hubbardston, Mich.  
BUCKINGHAM, CHARLES E., M.D., Boston.  
BURNHAM, WALTER, M.D., Lowell.  
CATLIN, A. W., M.D., Brooklyn, N. Y.  
CHADSEY, A. J., M.D., New York City.  
CUTTER, EPHRAIM, M.D., Boston.  
DERBY, HASKET, M.D., Boston.  
DERBY, R. H., M.D., Boston.  
DOE, O. W., M.D., Boston.  
DRAPER, F. W., M.D., Boston.  
EBERTH, C. J., M.D., Zurich, Switzerland.  
ELLIS, CALVIN, M.D., Boston.  
FISHER, T. W., M.D., Boston.  
GARVIN, L. F. C., M.D., Lonsdale, R. I.  
GAVIN, M. F., M.D., Boston.  
GIFFORD, BENJAMIN D., M.D., Gloucester.  
HAY, GUSTAVUS, M.D., Boston.  
HOMANS, JOHN, M.D., Boston.  
HUDSON, A. T., M.D., Stockton, Cal.  
HURD, E. P., M.D., Newburyport.  
INGALLS, WILLIAM, M.D., Boston.  
JACKSON, J. B. S., M.D., Boston.  
JEFFRIES, B. JOY, M.D., Boston.  
KIDD, CHARLES, M.D., London.  
KEENE, STEPHEN S., M.D., Providence, R. I.  
LANSING, JOHN V., M.D., Albany, N. Y.  
LINCOLN, DAVID F., M.D., Boston.  
MARTIN, H. A., M.D., Roxbury.  
METTAUER, J. P., M.D., Prince Edw'd C. H., Va.  
NICHOLS, A. H., M.D., Boston.  
PARKS, LUTHER, M.D., Boston.  
RICHARDSON, W. L., M.D., Boston.  
STEVENS, C. W., M.D., Charlestown.  
SULLIVAN, J. L., M.D., Boston.  
TRIPLETT, W. H., M.D., Woodstock, Va.  
TRULL, W. B., M.D., Boston.  
TUCK, HENRY, M.D., Boston.  
WADSWORTH, O. F., M.D., Boston.  
WATERMAN, THOMAS, M.D., Boston.  
WEBER, SAMUEL G., M.D., Boston.  
WEIR, JOHN W., M.D., Edwardsville, Ill.  
WHITE, JAMES C., M.D., Boston.  
WHITTEMORE, J. P., M.D., Haverhill.  
WIGGLESWORTH, EDWARD, JR., M.D.,  
WINSOR, FREDERIC, M.D., Winchester.

**ABDOMINAL cavity, forcible intrusion of a large stone into, with removal, 3**  
Abernethy's dislike of unnecessary talk, 128  
Abortion, 230  
Abortion, production of, 358; criminal, 360  
Aches of the liver, case of, 88  
Aconite, poisoning by, 41  
Adams, Dr. B. F. D. Minnesota as a resort in pulmonary affections, 337  
Ague theory, the, 390  
Air, in workshops, 335  
Air-passages, foreign body in the, 421  
Alaska, medical notes upon the aborigines of, 353  
Albany Medical College, 176, 242  
Albumen, a new test for, 16  
Algeria, climate of, 420  
Alden, Dr. Ebenezer. Obituary notice of Dr. Appleton Howe, 317  
Ambulance corps in Paris, 243, 365; on the Rhine, 371  
American Association of Medical Editors, 13  
American Association for the Advancement of Science, meeting of the, 79  
American surgery ignored, 155  
American international sanitary committee, 155  
American Pharmaceutical Association, 160  
American degrees, 191  
Ammonia, hypodermically, in collapse from uterine hemorrhage, 144; in hydrophobia, 244  
Amputation by the combination plan, 305  
Amputations at the Pennsylvania Hospital, 386  
Anesthetics, a new, 47  
Anesthesia, Dr. Hughes Bennett on, 272  
Anesthetic, a new, 144; carbolic acid as a local, 362  
Analgesia in vertebral caries and hysteria, 433  
Ankylosis of nearly every joint in the body, 175  
Aneurisms, hypodermic injection of ergotin in, 12  
Anonymous contributions, 16, 176  
Anti-periodic, a new, 111  
Anterior fontanelle and sagittal suture, 267  
Antiseptic system in surgery, 64  
Anthony, Dr. Walter E. Traumatic tetanus treated by means of the calabar bean, 392  
Ann, artificial, radical cure of, 430  
Aphasia, and the physiology of speech, 129, 145, 161, 177  
Appetite, insatiable, remarkable case of, 46  
Appointments, medical, 196, 304  
Arnica flowers, poisoning by, 48  
Arsenic, in certain painful affections of the stomach and bowels, 205; in the treatment of diabetes, 322  
Arteries, congestion following the ligature of, 104  
Asthma bronchial, iodide of potassium in, 264, 350  
Asymmetry of the two halves of the body, 417  
Atherton, Dr. A. B. Case of oesophagotomy, 81  
Atmospheric air, influence of in wounds, 225  
Atrophy of skin and muscles of forearm, 194  
Auricle, irritability of the, after death, 75  
  
Baby-farmers, the, 276  
Bahamas, climate of the, 234  
Belladonna, case of poisoning by, 41  
Benevolence, medical, 372  
Berkshire District Medical Society, meeting of, 87

A Practical Treatise on the Diseases of Children, 25  
On the Wasting Diseases of Infants and Children, 25  
Anatomy, Descriptive and Surgical, 25  
Memoir upon certain Sympathetic Nervous Phenomena which occur during Acute Inflammation of the Membrana Tympani, &c., 71  
The Indigestions, 89  
Transactions of the Medical Society of the State of New York, 69  
On Cholera and Choleric Diarrhea, 122  
Modern Medicine; its Need and its Tendency, 168  
The Practice of Medicine, 189  
Treatise on the Theory and Practice of Obstetrics, 189  
The Physical Exploration of the Rectum, 189  
Manual of Clinical Medicine and Physical Diagnosis, 189  
Manual of Chemical Examination of the Urine in Disease, 189  
Archives of Ophthalmology and Otology, 268  
Snuff-taking; its Utility in preventing Bronchitis, Consumption, &c., 268  
Handbook of Medical Microscopy, 268  
Hypertrophy of the Muscular walls of the minute Arteries in cases of Bright's Disease, 269  
The American Dispensatory, 270  
The Medical Herbarium, 270  
The Physician's Prescription Record, 364  
Prescription and Clinic Record, 364  
Physician's Visiting List for 1871, 364  
Archives of Science, and Transactions of the Orleans County (Vt.) Society of Natural Sciences, 364  
Bichloride of mercury, death from, 16  
Bigornia and Causticum, letter from, 344  
Billary calculi, 79; chloroform in treatment of, 126  
Bile, new pigment in, 372  
Biographical Dictionary of deceased American physicians, 352  
Blackmore, Mr. J. T., 253  
Bladder, experiments on the absorbent power of the, 29; fibrous tumor of, 120; distention of in parturition, 227  
Blake, Dr. C. J. Diagnostic value of the tuning-fork in diseases of the ear, 1; on the etiology of acquired deaf-mutism, 405  
Blindness, temporary, following intermittent fever, 99  
Blood, physiology of the, 47; discoverer of the circulation of, 196; injection of spores into the, 20  
Blue pus, 55  
Bone, production of, from medulla, 128; regeneration of, 271  
Boston Society of Medical Sciences, 443  
Boston City Hospital, sixth report of the trustees, 27  
Boston Society for Medical Improvement, 100, 344  
Boston Dispensary, statistics for 1870, 243  
Boston, resignation of consulting physicians, 383; sanitary effects, 103  
Botticelli, a new, 32  
Bowditch, Dr. J. J., return of, 372  
Bowen, Dr. Wm. S. Delirium tremens treated by hydrate of chloral, 325  
"Bridge cases," pathology of the, 108  
Bronchitis, chronic, in Bright's disease, 303

- Brown, Dr. F. H. Rheumatic arthritis of coxo-femoral articulation, &c., 197  
 Brown, Dr. H. W. Poisoning by aconite, 41  
 Buckingham, Dr. Chas. E. Death of a diabetic patient, with peculiar accompaniments, 249  
 Bullet-cure for ileus, 80  
 Bullet-seeker, the electric, 416  
 Bullets, explosive, 367  
 Burnham, Dr. Walter. Alleged death from the effects of sulphuric ether, 377  
 Burning the bodies of the dead, 400  
 Burns, extensive, changes in the blood by, 193  
 Butler, Dr. L. G. Reports of Vermont Medical Society, 11, 312
- Cesarean section, history of the operation, 63  
 Calabar bean, use of, in traumatic tetanus, 392  
 Calculus, urethral, 118, 218; large number removed from the bladder, 276  
 Cancer, of the larynx, 157; of the lung, 157  
 Carbolic acid, as a local anesthetic, 363; hypodermic injection of, 48; in psoriasis 48; and street watering, 228; internally in syphilis, 320  
 Carious bone, injections of liquer de Villate in, 32  
 Catheterism of the larynx, 112  
 Catlin, Dr. A. W. Coup de soleil followed by paralysis, 306  
 Cerebro-spinal meningitis, 30; in Providence, R. I., 261  
 Chloral, in mania a potu, 70; hydrate of, 88, 312; in scirrhina, 80; re-crystallized, 16; influence of, in pain of parturition, 182; bad effects of, 404  
 Channing Home, the, 45  
 Chadsey, Dr. A. J. Remarks on annual discourse before Mass. Med. Soc., 201  
 Chest, fragment of knife-blade lodged in the, 111  
 Children's Hospital, the, 149  
 Charlton Society for Medical Improvement, 420  
 Chloroform, antidiol effect of, on strychnine, 394; the medicino-salual bearings of, 319, 331; either and, 28, 206; death from, 62, 169, 193, 243, 386, 463; to detect feigned insanity, 270; decomposition of, 371; death by, prevented by electricity, 420; rate of death from, 76; priority in the discovery of, 109; in the treatment of biliary calculi, 125; loss of speech after, 436  
 Chlorate of potassa, 250  
 Cholera, epidemic of 1868, 56; summer, the cause of, 127  
 Cholera infantum, with anuria for five days, 412  
 Choleiform movements in experiments on the dog, 123  
 Chronic synovitis, a disease of the nervous system, 188; tincture of iodine in, 354  
 Cinchona, cultivation of, in India, 328  
 Circumcision, 112  
 Citric acid, in after-pains, 152  
 Clark, Sir James, death of, 16  
 Clavicle, fracture of sternal extremity of the, 384  
 Coccyx, exstipation of the, 80  
 Codeine in diabetes, 144  
 Commissioner, medical, to European seat of war, 64  
 Committees, reports of, how to be disposed of, 29  
 Collapse following normal labor, 327  
 Collis, Dr. Maurice H., marble bust of, 160  
 Congestion, following the ligature of arteries, 104  
 Congestive bilious fever, 379  
 Connecticut State Hospital for the Insane, 256  
 Consulting physicians of Boston, resignation of, 382  
 Convention of volunteer surgeons, 332  
 Convulsions, and jalap as purgatives, 320  
 Convulsions, theory of, 196  
 Consumption resulting from chronic pneumonia, 88  
 Coup de soleil, followed by paralysis, 306  
 Creasote in the vomiting of Bright's disease, 227  
 Crosby, Prof. Alpheus B., 94  
 Cuneiform, spiroidal, or V-shaped fracture of the tibia, 102  
 Cutter, Dr. Ephraim. Case of urethral calculus, 218; naso-pharyngeal polypus removed through the mouth, 339
- Danger, a warning of, 103  
 Deaf-mutism, acquired, on the etiology of, 405  
 Decabitus, in phthisis pulmonalis, 384  
 Deformed fetus, by mental impression on the mother, 344  
 Degrees, British medical, for sale, 254  
 Delirium tremens, hydrate of chloral in, 325  
 Dental practice, death from chloroform in, 386  
 Dentigerous cyst, 347  
 Derby, Dr. H. Hasket. In memoriam Prof. Albrecht von Graefe, 142  
 Derby, Dr. R. H. Funeral of Prof. von Graefe, 143  
 Diabetes, with peculiar accompaniments, 249; codine in, 144; arsenic in the treatment of, 382  
 Diabetes mellitus, case of, 87  
 Diagnosis of renal disease from blood-corpuscles in the urine, 126  
 Diarrhoea, and dyspepsia, the use of raw meat in, 124; in young children, 244  
 Dickens, Charles, an observer of disease, 435  
 Digitalis, effect of, in diminishing urea in the urine, 243; and sulphate of quinine, 144  
 Diplotheritic paralysis, 352  
 Dislocation of hip-joint of ninety day's standing, successfully reduced, 159; of the humerus, from sneezing, 31; of the jaw, 303; on the dorsum illi, spontaneous, 197  
 Dispensary, a new, in New York, 15  
 Doctors, blessings on the, 434  
 Doe, Dr. O. W. Case of foreign body in the air-passages, 421  
 Draper, Dr. Frank W. Simple dressing by continued moisture, 134; inequality in the milk of the two breasts of woman (translation), 183; gastric juice as a lotion (translation), 210; records of the Suffolk Districts Medical Society, 223, 378; artificial arms, 430  
 Dressing, simple, by continued moisture, 134  
 Drug, a new, 228  
 Druggists' clerks, deaths from carelessness of, 212  
 Duodenum, ulceration of the, 88  
 Dysmenorrhoea induced by a pessary, 259
- Ear, diagnostic value of the tuning fork in diseases of the, 1  
 Eberth, Prof. C. J. The regeneration of the epithelium of the cornea, 113  
 Ectopic cordis, case of, 392  
 Eczema, treatment of, 119  
 Education, medical, 77  
 Electric bullet-seeker, the, 417  
 Electricity secretion of milk restored by, 230; death from chloroform prevented by, 420  
 Ellis, Dr. Calvin. The tendency of so-called local diseases to generalization, 229  
 English and Irish exchanges, our, 331  
 Epiglottis, defect of, 244, 260  
 Epidermic grafting, 96, 160, 346, 380  
 Epispadias in the female, 80  
 Epithelium of the cornea, regeneration of, 113  
 Ergotine, hypodermic injection of, 195; in the treatment of aneurisms, 12  
 Erysipelas, sulphate of quinine in, 18  
 Ether, sulphuric, alleged death from the effects of, 377  
 Ether and chloroform, 28, 206  
 Excision of the entire scapula, 21  
 Extension for diseases and injuries of the lower extremities, 378  
 Extra-uterine pregnancy—spontaneous delivery by the rectum, 22  
 Eye, Dr. Hay's lectures on diseases of, 245, 264, 307, 341, 355, 408, 425; Passavant's operations on, 166
- Fecundation, artificial, 211  
 Fever, slow or nervous, and typhoid, 379; intermittent, temporary blindness following, 99; intermittent, new remedy for, 111  
 Fibrous tumor of the bladder, successfully removed, 120

## INDEX.

- Fisher, Dr. T. W., Aphasia, and the physiology of speech, 129, 145, 161, 177  
 Fluke fund prizes, 260  
 Fetus, delivery of, by the rectum, 62  
 Forceps, lithotomy, M. Amussat's, 112; obstetric, carrying the, 195; substitute for the, 212  
 Foreign study, advantages of, to American medical graduates, 269; body, in the air-passages, 435  
 Foundlings, the raising and education of, 190  
 French Military Hospital, American physician in charge of, 244  
 Fracture, V-shaped of tibia, 102; of the clavicle, 384  
 Fundus steti, application of physical force to, in inefficient uterine action, 95  
 Gall stones, discharge of, at the umbilicus, with dissection, 412  
 Garvin, Dr. L. Our blunders as students, 429  
 Glycerin, juice, as a lotion, 210  
 Gavin, Dr. M. F. Case of impacted calculus in the urethra, 118  
 Gelsemium semperfervens, 376  
 Geology, Prof. Huxley on the study of, 77  
 Gifford, Dr. Benjamin D. Case of poisoning by worm lozenges, 65  
 Glycerin, solubility of some chemicals in, 127  
 Glycerole of iodine, the, 144  
 Godfrey's cordial, effects of, 228  
 Gonorrhoea, treatment of, with tannin and glycerine, 403; cause of, 320  
 Good advice, 96  
 Graefe, Prof. Albrecht, death of, 142; funeral of, 143  
 Grafting, epidemic, cases of, 96, 160, 346, 389  
 Grape sugar, new method of estimation of, 260  
 Greene, Dr. J. Orne. Reports of Boston Society of Medical Sciences, 43  
 Gun-shot wound of the abdomen, 400  
 Haemoptysis, its relation to pulmonary tuberculosis, 4  
 Haemorrhage during pregnancy, 250; after delivery, 327; from the umbilical cord, 274  
 Hand and foot, difference between a, 275  
 Hanging, a medico-legal study of, 67  
 Hay, Dr. G. Defects of ocular refraction, accommodation and convergence, 245, 264, 337, 341, 355, 408, 425  
 Harvard Medical School, introductory lecture, 277  
 Harvey, bust of, 48, 96  
 Head, severe blow upon the, case of, 88; delayed symptoms after injury to the, 373  
 Healing wounds by transplantation, 96, 160, 346, 389  
 Health and disease, the processes of, 219  
 Heart, healing of wounds of the, 243  
 Heart sounds, reduplication of, 42  
 Heim, Dr., of Berlin, 212  
 Helmholz, professor, 212  
 Hepatic disease, shoulder-tip pain in, 432  
 Hernia, large scrotal, 108  
 Herpes ophthalmicus, 351  
 Hiccough, 372  
 Hip-joint, dislocation of the, of ninety days' standing, successfully reduced, 159  
 Homans, Dr. Charles D. Boston Society for Medical Improvement, 100, 344  
 Homans, Dr. John. Case of chronic synovitis, 354  
 Hospital for scrofulous children, 64  
 Hospital appointment, 372  
 Hospitals, iron, and cottages, 416  
 Hostes, dum vulnerati, frater, 155  
 Hot-air furnaces, and other means of warming buildings, 261  
 Howes, Dr. Appleton, obituary notice of, 317  
 Hudson, Dr. A. T. Amputation by the combination plan, 305  
 Humerus, dislocation of the, from sneezing, 31  
 Hard, Dr. E. P. Case of poisoning by belladonna, 44; case of stricture of rectum from cancerous inflammation, 182; on the gelsemium semperfervens, 376; iodide of potassium in bronchial asthma, 264; on the use of pepsin, 203  
 Hydrate of chloral, 88; successful use of, in a case of delirium tremens, 225; of bromal, 259  
 Hydroccele, injections of warm water in, 134; in a female, 403  
 Hygienic treatment of disease, 275  
 Hypermetropia, 408  
 Hydrophobia, strange case of, 160  
 Hypodermic injection of ergotin, 195; of carbolic acid, 48; of morphine in vomiting of pregnancy, 196  
 Hysteria, and movable kidney, 430; amnesia in, 433  
 Ichthyosis, treatment of, 48  
 Ileus, bullet-cure for, 80  
 Incontinence of urine, colloidion in, 80  
 Indian hemp, the value of, in menorrhagia and dysmenorrhœa, 155  
 Indigestible substances, swallowing of, 20  
 Infestation, Prof. Stricker on the question of, 106  
 Ingalls, Dr. Wm. A case of progressive muscular sclerosis, with a paper on the same, 321  
 Injection of warm water into the tunica vaginalis in hydrocele, 124; of liquor de villate, in carious bone, 32; of parasitic spores into the blood of animals, 20  
 Insane persons, dangers from, being at large, 15  
 Insanity in Pennsylvania, 63; feigned, detected by chloroform, 270  
 Intermittent fever, temporary blindness following, 99  
 Intestines, fatal obstruction of, 387; and abdominal viscera, injury to, 319; on the movements of the, 389  
 Intussusception in an infant, 417  
 Iodide of potassium, in asthma, 264, 350  
 Iodoform as a surgical dressing, 46  
 Iris, time of appearance of, 303  
 Irritability of the auricle after death, 75  
 Iron, the dangers of in phthisis, 388  
 Iron cottages and hospitals, 416  
 Jackson, Dr. J. B. S. Discharge of gall stones at the umbilicus, with dissection, 412  
 Jaw, disjunction of the, 203  
 Jeffries, Dr. B. Joy. Results of thirteen Passavant's operations for breaking up attachments of the iris to the capsule of the lens, 160  
 Jewish physicians in Rome, 212  
 Keene, Dr. Stephen S. Four cases of cerebro-spinal meningitis, in Providence, R. I., 261  
 Kidd, Dr. Charles. Surgical operations without pain—whose is the glory of the discovery? 97  
 Kidneys, movable, and hysteria, 430  
 Knee, synovitis of the, 379  
 Knife-blade, fragment of, lodged in the chest for twelve years, 111  
 Labor, normal, collapse following, 327  
 Lansing, Dr. John V. Letter from, 242  
 Larynx, whole, removal of the, 96; catheterism of, 112  
 Left-handedness, the cause of, 16  
 Liebig, Baron, 48, 64; on the source of muscular force, 78  
 Lincoln, Dr. D. F. On temperature in the so-called milk fever (transient), with reports of Obstetrical Society of Boston, 250, 322, 346; medical notes upon the aborigines of Alaska, 333; temporary blindness, following intercurrent fever (transient), 99  
 Linie-Wan, the Chinese charlatan, 96  
 Lithotomy forceps, M. Amussat's, 112  
 Liver, abscess of the, case of, 88  
 Local diseases, tendency of to generalization, 229  
 Locomotor ataxy, case of, 213  
 Long Island College Hospital, 352  
 Loughead, Dr., recipient of a gold medal, 32  
 Lung, solidification of the, 88  
 Magic lantern, the applied in medical practice, 156  
 Maine Medical Association, annual convention, 24  
 Malformation, a, 110  
 Malpractice, suits in Turkey, 402; trial for, 276  
 Man vs. animal, 276  
 Manganese in blood and milk, 211

## INDEX.

- Marriage, among phthisical patients, 371**  
**Martin, Dr. H. A. Animal vaccination, 254**  
**Massachusetts Medical Benevolent Society, annual meeting, 404**  
**Massachusetts Medical Society, meeting of the councilors, 266; admission of members, 302, 310, 351; meeting of a committee, 196; expulsion of members, 59, 183, 191**  
**Medical education, reform in, 47, 77**  
**Medical ethics, 293**  
**Medical Journal, a new, 176**  
**Medals, production of bone from, 128**  
**Membrane tympani, restoration of, after almost complete destruction, 347**  
**Meningitis, 223; cerebro-spinal, 30**  
**Menstruation, the influence of, on nutrition, 204**  
**Mercurial suppositories in syphilis, 276**  
**Meteorology of November, 336**  
**Metric weights and measures, 32**  
**Mettauer, Dr. John P. Neuralgia of the occipito-frontalis muscle, 17**  
**Mico-photographs, 379**  
**Micro-telescope, the simplest form of, 387**
